

QUALITY POLICY

The Company is committed to:

- Delivering reliable, safe and world-class services to the oil and gas and construction industry.
- Exceeding customers' expectations.
- Ensuring strict compliance with all applicable legislative, regulatory and customer requirements.
- Striving for continuous improvement in the Quality Management System.
- Consistently engaging with our customers to ensure the company is delivering on its promises and commitments to delivery best-in-class service.

A handwritten signature in black ink, appearing to read 'Benety Chang'.
